POMEROY, THURSDAY, JULY 29, 1852.

VOL. 4.-NO. 29.

Ratification Song.

SY D. BETHUNE DUFFIELD. Tune-"The Old Granite State."

Hark! it thunders from the mountains, And pours down through all their fountains; Yea! it reaches the tall fountains Of far off Mexico.

We're a band of soldiers, We're a band of soldiers, We're a band of soldiers, And our leader's name is Scott. With his banner streaming. And our weapons gleaming, · And fresh glory beaming, We are fighting as he fought.

He is mighty in the battle, And 'mid war's iron rattle, Drives the foe like frightened cattle. Before his conquering march. CHORUS.

With his band of soldiers, With his band of sold:ers, With his band of soldiers, He has won his mighty fame. Hurra! hurra!! hurra!!! Hurra! hurra!! hurra!!! Then, 'mid banners streaming, And old weapons gleaming, We see glory beaming Round our Hero's honored name.

With the gallant Graham near him, The Locos all will fear him, And the nations soon will hear him Shout aloud our victory.

With his brave Whig soldiers, With his brave Whig soldiers, With his brave Whig soldiers, Nought can stay his proud careet. Then, with his banner streaming. As d our buckless proudly gleaming, We hail the bright day beaming, With a heartfelt shout and cheer.

Lo! the hosts e'en now are rallying, From every hill top sallying; They no longer can be dallying, With a forman such as Pierce. CHORUS.

For these brave Whig soldiers. For these brave Whig soldiers Will sweep him from the field.

Then three cheers for Scott and Graham For the Locos must obey them, And true Whig hearts will never fail them. While our conqueror's in the field. And with his brave Whig soldiers, And with his brave Whig soldiers, And with his brave Whig soldiers,

Naught can stay his prond career. Hurra! hurra!! hurra!!! Hurra! hurra!! harra!!! Like our good old sires before us. We will shout alcud the chorus, Till the heavens o'er us Shall rebound the loud hurra.

President-making.

clocks, of wood, and made the manufacture and the manufacturers had a fine run' of that any thing can be made of wood, and d coaration was made by a gentleman who who happened to be returning from the published in Concord, where the attempt was on in that scheming haterinty.
